

Agincourt Pentecostal Church

Pre-school Vision Statement

“Learn, live and tell” are our keys for growth, precepts upon which we model our approach in molding young disciples. Our mission is to teach them the word through structured activities, story-telling and of course fun! We appreciate the opportunity to impart God’s will for their lives and to give purpose to their days by teaching them how to live in Christ and **learn** to be stewards of his teachings. Being children of God, designed in his image, we would also like our children to **live** in his will, *servicing* as examples of good Christian living to family and friends who they will **tell** of his glory as they too shall seek to follow him.
